

# BUTLER DURRELL SECURITY, INC COMMERCIAL NEWSLETTER SUMMER/FALL 2019

636-458-1866

## CENTRAL STATION CHANGE TO SECURITY CENTRAL:

Starting in July we changed our Central Station vendor and the phone number that will call you is our local **636-458-1866** so there should be less confusion for you, our client.

## WATER DAMAGE:

Can you imagine the damage from a break in a toilet or pipe in your office and flooding that could occur overnight or a weekend!! What would that do to your business, clients and staff? Our water shut off system and notification can be added to your security system and the cost is very reasonable. Call *Rick Oster* at **636-458-1866**.

## PHONE CHANGES:

Most fire and security systems use an analog phone line. To switch services call *Matt Crump* at **636-458-1866** before you make any phone line changes.

## CARBON MONOXIDE:

Not just for homes. Any building or store with workers or the public need carbon monoxide detectors on all levels if you have gas heat. We can add these to your fire alarm. Call *Rick Oster* at **636-458-1866**.

## *COME SEE OUR NEW OFFICE!!!*

We would love to have you visit and look at our latest camera systems, door access, fire and intrusion system. Please call *Terry Sandefur* for cookies and a tour at **636-458-1866**.
